Dear General Canine:

STAT You may be interested in the enclosed correspondence and pamphlet. Suggest after Agnew finishes with it you may wish to pass it on to

Would you do me a favor? Secty Weeks asked me to give him a copy of the letter which Secty of Navy Charles F. Adams presented to Interstate Commerce Committee (in handwriting, I think). I forgot to do this before leaving and the only place I know it can be found is in my testimony before that Committee in about 1934, and I believe Agnew has the printed copy. I recall marking the margin in pencil. If you could send him the copy I would appreciate it. Please recall to him that he asked me for it.

Hope all is well with you and Mrs. Canine, etc.

/s/ S. C. HOOPER
